Bogotá 30 de septiembre de 2021

Señores  
PyP Systems Colombia SAS,  
Bogotá

Ref.: Evento 98566/Orden 102814509 – Rama Judicial

Estimados Señores:

HP Colombia S.A.S., en calidad de subsidiaria autorizada en Colombia de HP Inc. se permite informar que, para el evento en referencia y basándonos en el principio de buena fe, en su momento entregamos las condiciones comerciales normales de entrega de acuerdo con las condiciones del Acuerdo Marco de ETP's de Colombia Compra Eficiente.

Es importante resaltar y tener en cuenta que estos tiempos de las condiciones de entrega, se han venido dilatando desafortunadamente por la escasez en los diferentes componentes que hacen parte de la fabricación de los equipos del evento en referencia; esto debido a la situación impredecible a la cual nos ha llevado esta pandemia a nivel mundial, que ha disparado la demanda principalmente por teletrabajo, educación y consumo en hogares, los cuales afectaron todos los diferentes sectores del mercado.

Por esta razón, los procesos de fabricación, despacho y logística se han retrasado, situación de fuerza mayor para nuestra compañía y para Uds. como el canal contratista de este proceso/evento.

Sin embargo, los equipos que hacen parte del evento en referencia ya están siendo entregados al Mayorista Nexsys, quienes nos han confirmado les entregarán a Uds. a más tardar el 8 de octubre.

Finalmente, y para mayor tranquilidad, adjuntamos los seriales de los equipos confirmando el despacho.
